

THE VIRTUAL CLASSROOMS EXPERIENCE

- ✓ Live session with experts.
- ✓ Professional career support.
- ✓ Network with other attendees.

How to get started?

CHOOSE YOUR PREFERRED COURSE

A wide range of courses, tailored for the growing demand for certified energy professionals.

SECURE & CONVENIENT ONLINE PAYMENT

Pay securely through multiple payment options and get direct access to all course materials.

PREPARE YOUR COMPUTERS

Install the latest version of **Chrome** or **Firefox** browser to ensure a smooth experience.

INSTALL ANY PREREQUISITES

Install the latest version of **softwares** required to follow the instructor during the live class.

TIMELY ATTENDANCE

Ensure you're logged in at least **15 mins** prior to the scheduled course time.

ASK MORE QUESTIONS

Use all the features of the live classroom to clear your queries with our expert instructors.

EVALUATE YOURSELF

Attempt the tests after your live session to evaluate your understanding of the subject.

BUILD YOUR NETWORK

All attendees are invited to join an **exclusive** whatsapp group to share their ideas after the class.
